

IN ASSOCIATION WITH

INTELLIGENT INFRASTRUCTURE CHALLENGE 2018

UNLOCKING INNOVATIVE SOLUTIONS FOR UK TRANSPORT

Present your intelligent infrastructure solution to a panel of industry experts at Highways-UK at the NEC on 7/8 November 2018

QUALIFYING ENTRIES BENEFIT FROM...

- ☑ Interact with industry experts and client organisations
- ☑ Free wall display and brochure content at Highways UK
- ☑ An opportunity to secure post event mentoring and even trials from highways asset owners

THE CRITERIA

- ☑ Must be intelligent infrastructure (ie use data and power)
- ☑ At the early stages of or approaching field trials
- ☑ Shown to provide a clear benefit to the big issues of safety, pollution, cost and congestion
- ☑ Relevant to any part of the UK network - national, regional, local or city.

HOW TO ENTER
